

Project in Applied Statistics

	Data analysis	Written part			
Haichen Zuo Xinyi Qiu	Pendulum	Introduction			
		Method			
		Pendulum analysis & results			
		Appendix			
		Abstract			
		latex documents			
Shu Yan Zheng Lingxiao Li	Incline	Incline analysis & results			
		Discussion			
		Conclusion			
Reference	https://www.nbi.dk/~petersen/Teaching/Stat2020/Project/Project_Group24_BlackedOut.pdf				
	We did not get estimate on the uncertainty, while the reference took into account the error on the equipment used. What analysis method shall we take?				
Schedule	Thursday	Friday	Saturday	Sunday	
	Data analysis	Discussion on results	Writing	Revise & send PDF
